

COLON & RECTAL SURGERY OF NEW ENGLAND

Preparation For Anorectal Surgery

If you are preparing for anorectal surgery, such as hemorrhoidectomy, procedure for prolapsed hemorrhoids, any surgery for fistula or fissure, or any other anorectal procedure, there are a few items that you should have ready at your home for your postoperative care.

- Motrin, Advil, or ibuprofen
- Benefiber, Metamucil, or other fiber supplement
- Colace
- Milk of magnesia
- 4X4 gauze pads and/or feminine pads

Call our office if you have any questions or concerns.
